"There Are Others."

Harvest operations in Alberta have been somewhat interrupted, and the probable proceeds somewhat disconnects by down pours carnestly longed for a month ago but sadly delayed in ar-

and the make his profits any larger, but it will not make his profits any larger, but ay help to take the edge off his disappointment, it has a substantial form to know that he might ve been elsewhere and fared as badly, or worse. To which the Toronto Telegram bears witness

in the following language:

"Many of the results of a whole season's labor
"on the farm must be destroyed or reduced in
"wains by the effects of today's atorm.
"Tompest, battle, murder or sauden death,
"might bring disaster to banking, commerce and
"mon-agricultural industries as the last few hours
"have brought disaster to agriculture."

Investigation Strictly Limited.
Only one Government, Mr. Meighen says, was criticized by the parliamentary committee which investigated the operations of the amuggling

investigated the operations of the amuggling investigated the operations of the amuggling investigated the operations of the amuggling the committee ruled the records of every Government that held office prior to the present one; in and that only in the years of the Mackenzie King Ministry was there found evidence of transactions with which to find fault.

That assumption is too foolish for the Premier for Canada to try to convey to any audience of newspaper readers. The parliamentary committee dug into the records of new Government only. What would have been uncarthed it it had done the contrary. A Premier of Canada ought to be above resorting to the "peanut" tactics of a convening Governments for meant of the contrary. A Premier of Canada ought to be above resorting to the "peanut" tactics of a convening Governments for the contrary. A Premier of Canada ought to be above resorting to the "peanut" tactics of a convening Governments for the contrary. A Premier of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Governments for the contrary. A Premier of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of a convening Government of Canada ought to be above resorting to the "peanut" tactics of the contrary tactics of the contr

Why He Is There.

The presence of Hon. E. L. Patenaude in the cabinet of Mr. Meighen is a circumstance that has as yet got less attention than its significance

debta. National has now got to the place where it is a property worth having; particularly it is it is a property worth having; particularly it is it is a property worth having; particularly it is the previous of the property worth having; particularly it is the previous of the property worth having; particularly it is the provider of paying the deficits incurred in its years of annual inceme and large outgo.

What is equally to the point, the National has been taking business away from the C. P. and a rate that cannot be gratifying to the powerful interests associated with the fortunes of the National has associated with the fortunes of the national content of the property of the powerful interests associated with the fortunes of the National Natio

One of Those "Ruined" Industries.

Five years of the Mackenzie King Government" ruined" the motor industry of Canada the extent disclosed in the following table showing the output of automobiles from Canadian factories in each of the last eight years—

1018. Number of the ruined for the following table showing table showing the following table showing table showing the following table showing table showin

1925.— 163.590
In the last year of the Meighen Government Canadian factories tuned out twenty drye condings.

Canadian factories tuned out twenty drye condings.

Even you conself find it casier to disagree before.

In the last year of the Machenuz King Government Canadian factories turned out upwards of three times as many automobiles as they did not at a committee with the year that Government came into power.

You can be suffered to the conding the conding the conding the year that Government came into power went to Otawa has specify to aver the catastroph of the power of the catastroph in the duty on imposed cars had to hastle home to start the building of two made can which promises to evamp all provide for the catastroph of the provided to evamp all provided to the provided to the catastroph of the provided to the

## Assist old Appetites with food that digests easily

Quaker Puffed Rice tempts listless tastes—helps weak digestions

When the appetite of old age fails, tempt it with Puffed Rice.

When digestive powers weaken, assist nature with this toasty nutlike cereal.

It charms the most listless taste;
—easily digested and assimilated;
—satisfies without overloading.

Ask for this enticing food to-day.

Quaker Puffed Wheat—whole wheat in the same delightful form. For variety keep a package of each in the home.

Quaker Puffed Rice
—sharpens appetites

#### CANADIAN BRIEFS

VANCOUVER, Aug. 27—The body of Sydney W. McKay. 21, was found suspended with a rope around the neck from a beam in the basement

SASKATOON, Aug. 27—Two thousand harvest jobs are said to be open at the local employment bureau with no men to fill them, and immigrants on incoming trains are being convarsed along the line by farmers as their trains pass by.

TORONTO, Aug. 27—Mass per duction and perfected manufacturing processes, resulted in a reduction the cost of insulin to the Ontar government from \$419 in June \$4.89 per patient in July, according to Hon. Dr. Forbox Godfrey, mind

TORONTO, Ont., Aug. 27—Hon. W. F. Nickle, afformer general of Onlario, announced this afternoon that C. W. Smith. Müton, and Joe Cox, St. Catharines, had been arrested today in connection with the investment in the traffic in wood.

## LATURES WOMAN'S REALM CLUBS

### DOROTHY DIX

Because She Contradicts Herself at Every Turm," Says Dorothy Dix, in a Futile Effort to Explain Her Sex, "Woman Is Cross-Word Puz-zic That Man Is Never Weary of Trying to Solve"

Who shall understand woman, for her ways are strange and past find-ng edit? She is the one likes in nature that never changes, yet is always absolute. Even no our Mother Even was, so are all her daughters to this and had black hair last year. this year may be will have been also also also been also been also been all through living absolutes with hemsel locks. The property of the property of the con-tents or making long marches, yet her con-ception of the property of the con-ment as prize-fighter to bit copin.

Frail little creatures dine upon lobster Newburg, pickles, tee cream and cake, and go about snowy streets in kneedesigth skirts, chiffon stockings, and satim sandals. And not only do they live to tell the tale, but to repeat the performance at libitum.

She weeps for joy, and her tast of a good play is the number of ha kerchiefs that it calls for.

The she was metabolish for morals and is suspicious of every control of the state of the s

She will break her neck to catch a man, and the minute she has him she throws away the bait by which she lured him to the hook.

She may love a man well enough to be willing to die for him, but she will not take the trouble to make him comfortable or give him a good

She helleves her children to be perfectly heautiful, though they may country hair, no eyelrows, white eyelanhes and faces as expressionless constraints and the same they are gentueen to matter how dull may be.

She may have the most delicate perception of right and wrong, but e her children are concerned she is without morals or principle.

She would not for the world destroy your property, but if it amuses little Janie to accastch pictures with a più on your mahogany table she thinks you are a selfish brute to object to it.

She cannot abide noise or dirt-unless it is her own children who are offenders, and then she becomes as deaf end blind as the adder of the In ethics she hates the sin and coddles the a

WANTEY CASE

Carotyn Wells

G P. PUINAM SONS

BEGIN HERE TODAY.

MRS. PRENTISS sees lights mysteriously appear and disappear next door in the HEATH household one night, and the household one night, and the Long. Island, is ago, with the murder of MYRA HEATH and the disappearence of her husband, PERRY.

House guests of the Heath are LAWRENCE INMAN and BUNNY MOORE, Inman might have a moulte becomes he is he't to Myra's considerable fortune the having out Perry off, Suspicion also points to golden-hoire vivacious Bunny, because of her Pfusal to answer questions a the inquest.

Myra Huath was preatler. She never und courtel, never work content of the content

piled to Myra Heath after death.
At the Country Club, the murder is discussed by SAM ANDERSON, Heath's rival for the
clab presidency: AL CUNNINGHAM, who is Ore, Some believe
Heath the murderer, Others, including Anderson, disagree, Camingliam learns from Mrs. Prenties of the mysterious lights.
TO D H UN TER. BUCK, her
TO DH UN TER. BUCK, her

to may have been murdered.

Bunny is amaged to get a
phone call from Heath. He calls
her again, saying Innan is
guilting the property of the call of the
forman confides to Buck that he
saw Bunty ascending the stairs
after the murder and Mott questier the murder and Mott questier the murder and soft quesleaving the grounds the night

f the murder.
W GO ON WITH THE STORY

CHAPTER XXX becomes a compared to the compared

"Very well, Herrito, but maybe has above let Mr. Heath out by a "I'd o' beard it if she had. I tell you, sir. I'm a light sleeper, and I've always got my ears open for burglars, and I tell you there couldn't have been a door or win-

"Did you hear Emma open the door for Katle?"

"Course I did!"

"It has been a suited that Emma, she thinks she's so quiet! She goes downstairs like a hod carrier, and she opens that back door so careful, that she lake shoult en minutes to do it. Last night, it stuck a little and she had to jerk it open—ain!

FLAPPER FANNY SAYS:

Receing the bonds of matri

Yee." and the girl looked her asdishment.

Yes. It's so. And I was thinkin' oil it next day, and then what prened put it clear out of my

windows? Couldn't a man leave the house that way?"
"They all aqueak, every one of them." Herrick averred, "Twe been meaning to be get 'em fixed, but I just haven't. But they aqueak tomethin awful! if you don't believe

im 'how did Mr. Heath get out's minns heard him talking after selve, that was after you beked up. "That's what's botherin 'me, sir', "Cleiarway was locked inside. Every can dwindow was fastened in the loroning when I came downstain, pend in the sight. I don't know, how he did get out!"
"The you d'ink the man Jimmy."

hy, how could it he? Mr. Heath, e couldn't get out, sir."
"Then is he in the house yet?"
"It hink so, sir."
"Why. Herrick, what do you can you are, sir, that the brute as one for Mrs. Heath done for him, or sir, and hid his dead hody some, sir, and hid his dead hody some, sir, and hid his dead hody some.

"Absurd, my man! That couldn't
"All right sir, but you asked me
"All right, sir, but you asked me
"Having gained all he could from
he servants, and giving no heed at
it to Herrick's wild surmise, Mott,
fire further injunctions not to bab-

As he walked round the house, he we Imma no the front terrace, and opped to speak to him.

"I say, Mott began, "do you "I say, Mott began, "do you undered Heath could have been undered he had been as a seal of his wife, and his body concaled in the ouse?"

"Good Lord: What an idea!" Larry ared at him.
"Yes, it sounds absurd. I know."

sulf many details of this mysterious case are shaurd. I say, do you think tould be possible?"
"I certainly do not. But it is cured a question easily answered. Why not search the house? There are not many hiding places in it that would serve such a purpose."
"Look here, Mr. Imman." Mott talked along by the others side, as
